

The 10th Anniversary of China-Brazil Center for
Climate Change and Energy Technology Innovation
& The 5th China-Latin America Forum on Scientific
Innovation and Technology Transfer

中国-巴西气候变化与能源技术创新中心成立十周年
庆祝会暨第五届中拉科技创新与技术转移论坛

Time: 10:00-17:30, 23rd November, 2018

时间：2018 年 11 月 23 日 10:00-17:30

Venue: Lecture Hall of Liu Qing Building, Tsinghua University

地点：清华大学刘卿楼报告厅

Organizers: Tsinghua University, Federal University of Rio de Janeiro

Co-organizers: China-Brazil Center for Climate Change and Energy
Technology Innovation (CCBCE)

China-Latin America Joint Laboratory for Clean Energy
and Climate Change

Agenda

会议日程

Opening Ceremony	
10:00-10:20	Welcome address by Prof. Jingsong Zhao, Dean of Chemical Engineering Department, Tsinghua University Welcome speech: General Overview about Brazil-China Cooperation on Science and Technology Mr. Igor da Motta Magalhães Carneiro, Brazilian Embassy Chairman: Prof. Dehua Liu, Director of CCBCE
Session 1 Chairman: Prof. Dehua Liu	
10:20-10:40	Introduction to the China-Brazil Center for Climate Change and Energy Technology Innovation (CCBCE) Prof. Dehua Liu, Director of CCBCE, Tsinghua University, China
10:40-11:00	The China-Brazil Center for Climate Change and Energy Technology Innovation (CCBCE) future activities Prof. Romildo Toledo, Director of CCBCE, COPPE/UFRJ, Brazil
11:00-11:20	The University and Great Agri State Mr. Daniel Abreu da UFMT, International Advisor, Federal University of Mato Grosso/UFMT, Mato Grosso, Brazil
